

SOLUTIONS FOR BUSINESS OWNERS

About This Section

From time to time, people write or say things that misuse words, punctuation or spelling and create an unintentional funny meaning. They are reproduced here with the response I would like to make...if I wasn't so polite and courteous.

If you have any you would like to add, e mail me the mistake at sdavies@tabli.com and the response you would like to have made (or did make) and I'll publish them with your details and a link to whatever site you'd like.

Edge Initiatives is the brainchild of **business guru** Steve Davies. It exists to help executives run their businesses more effectively and offers business solutions that cover most situations faced by owners and executives trying to bring their business to the next level.
