

SOLUTIONS FOR BUSINESS OWNERS

About Tips Corner

Read below for practical management tips from my business owner clients.

A number of my clients are members of The Alternative Board. They meet each month in boards comprising eight to ten owners of similar-sized, non competing companies and discuss issues and opportunities they face.

They have often developed unique ways to improve how their businesses run and out of this discussion a number of good ideas emerge.

We submit these ideas to TAB Corporate in Denver and the best submissions are published in their monthly publication *Tips from the Top*.
